Continued from Page Eight

Bertha, has returned to her home in Mt. Pleasant.

Miss Sallie McLeod and the Trent children have returned from spending most of the summer in Brighton.

Mr. and Mrs. W. V. Rice and children, Isabel and Gordon, who have spent the summer in the east, will be home today.

Miss Martha Johnson and her mother will leave Tuesday for the east, where Miss Johnson will be married in November.

Mrs. J. H. Witbeck was the hostess at a brilliantly arranged but informal birthday party at her home, 376 East Eleventh South street, Thursday afternoon in honor of Mrs. F. W. Jones.

Mrs. Witbeck's beautiful home was most tastefully decorated. The dining room was decorated in lavender and white, the color scheme being carried out in a unique manner on the table. A large round basket of lavender and white sweet peas occupied a place in the center of the table, and tiny bunches of the beautiful flowers were scattered around on the table between the plates. This gave a most handsome effect to the table.

The parlor and sitting rooms were decorated in golden glow. Mrs. Witbeck was assisted by her daughter, Miss Joy Witbeck, Mrs. McKnight, Mrs. T. F. H. Morton and Mrs. O. L. Witbeck.

The afternoon was enjoyably spent, a musical and literary programme being rendered. Miss Joy Witbeck gave several readings which were greatly enjoyed, and Mrs. Ray Pettit rendered several piano selections.

Miss Lucile Heide has been entertaining Miss Palm of Laramie, Wyo., the past week.

Mrs. W. O. Shuler of Houston, Tex., arrived in the city Monday to be the guest of Mrs. A. C. Coates, 423 Second avenue.

Shuler of Houston, Texas, who is visiting her sister, Mrs. A. C. Coates, 423 Second avenue, and Mrs. C. W. Schmidt, this city, who is to leave shortly for Los Angeles.

The old bachelors and their lady friends of the Lucky Thirteen club entertained last Friday evening at the home of Mr. and Mrs. C. L. Westlake, 844 South Third East, complimentary to the more fortunate, or the married, members of the club. The lawn was beautifully decorated with Japanese lanterns bearing the club colors, red and white, amounting to thirteen in number, and the parlors decorated featuring the thirteen idea. After music by different members of the club, refreshments in novelties were served.

Mrs. L. E. Knowles of San Francisco is visiting her sister, Mrs. I. Bernstein.

Mrs. Frank J. Carlton entertained a friend from the East last week on her way to Yellowstone park.

HINDOO YOUTHS ARE EN ROUTE TO ENGLAND

Juth Handt and Bjugh, two Hindoo youths, have been stopping over in the city in care of Franklin McCoy of the British diplomatic service. The young men are bound for Cambridge, England, where they are contemplating entering and taking up university studies. Both will study economics and civics, so that when they again return to their native soil they may render their government efficient aid along diplomatic lines.

Both young men are of noble birth and high standing in India. Where here they have been stopping at the Kenyon, Franklin McCoy who accompanies the young men, is just returning to his home on a leave of absence, having been away for a number of years.

THERE MUST BE MERIT IN TRENTON.

Judging by the activity at Trenton in Cass county, the future of that very lively place is very bright. Each week brings reports of new activity. The new cement works already has more orders for material than can be furnished for some time. There is a demand for labor and every week sees new faces seeking locations.

There is a very good reason for this activity. The growth there is constant and substantial. It is based on the future of Trenton and is normal and healthy, because behind it are natural conditions which will compel a steady growth. Trenton is the only town in Cache valley situated on the main line of the Oregon Short Line and at the same time in a central location. It is bound soon to be the gateway to that most remarkable and wealthy valley. It will become the objective point for the traveling public, because practically every Cache valley town can be reached easily from Trenton. There is an opening for a good lively stable there now, and the man who moves first will get the business.

The National Food company is making progress; the indications are they will soon commence breaking ground for the new factory. This will mean the expenditure of about \$150,000 and will give permanent employment to several hundred hands. This alone guarantees the future of Trenton. This explains why so many are buying there now. The United Development Association's orchard tract is being rapidly taken. Buyers realize they are not only buying orchard land, but land that is in ready cultivation. For the orchard is right in town, being only two blocks away from the center.

The company has issued a folder giving information on many points regarding Trenton. One can be had free by writing the United Development Association, 519 Newhouse building, this city.

UTAH IS THE POSSESSOR OF HANDSOME SOUVENIR

Utah boasts one of the handsomest souvenirs ever designed by any state in its souvenir of the Alaska-Yukon-Pacific exposition at Seattle, Wash.

Through C. F. Overfield, secretary of the Utah commission to the Alaska-Yukon-Pacific exposition, Governor Spry Saturday received one of the souvenirs and it is a remarkably neat and attractive piece of work.

The souvenir is of virgin Utah copper and is round like a dollar and almost as large in circumference, but is a little bit thicker. On one side it bears this inscription:

"Alaska-Yukon-Pacific exposition, 1909, Utah Exhibit."

On the other is the great seal of the state of Utah, with an eagle on a shield backed by two flags. The shield bears a miniature representation of the Beehive house, with the word "Industry" and the date "1847."

The souvenir is made by Diego & Chas., designers of New York City, from copper furnished by the Utah Copper company, it is understood.

It is said that 30,000 of these souvenirs will be distributed among the people of Utah.
